

2012 Users' Meeting Update

Jen Bohon
Town Meeting
November 10, 2011

Planning Committee Members:

Jen Bohon, Balaji Raghothamachar, Jean Jordan-Sweet, Cecilia Sanchez-Hanke,
Dan Fischer, Gretchen Cisco, Kathy Nasta, Grace Webster, Nancye Wright

“Expanding the Toolbox for 21st Century Science”

Instrumentation-based theme to highlight new tools available at NSLS and planning for NSLS II

***Call for workshops went out on October 26, 2011
(Due November 18, 2011)***

Contacted potential keynote speakers (awaiting responses)

Verified attendance by Dr. Harriet Kung (Associate Director of Science for Basic Energy Sciences)

Format Changes

Main Meeting Split Monday/Tuesday

Monday AM: Keynote, DOE and facility updates

Tuesday AM: Scientific talks, Baumert Award, UEC updates, poster winners announcement

Workshops

Monday PM: ***NSLS II transition discussion***, CFN half-day workshops, vendor networking

Tuesday PM: CFN, NSLS/NSLS II half-day workshops

Wednesday: CFN, NSLS/NSLS II full-day workshops

Format Changes (Cont'd)

Registration/Posters

Posters (title only) will need to be registered with meeting registration (do not want to turn away posters due to space; will adjust based on response). Late registration will not guarantee poster space.

Pricing Structure

To encourage stronger PostDoc attendance, PostDocs will be allowed student pricing.

PIs: No excuses! Send your students and postdocs 😊

Social Event Schedule

NEW EVENT THIS YEAR!!!

Sunday Social

Vendor setup on Sunday, with an open networking event (likely an ice cream party)
